therefrom, that the amount since recovered and adjusted works up to only 20% a small percentage of the total arrears as compared with the percentage of the aggregate of the amounts written off, suits filed and dismissed

(4) Under "Markets" a sum of Rs 121/- is shown as "Wrong" Demand, Details as to how the amount was brought on demand in the first instance are not forthcoming from the records of the Municipality

(5) Under "Rents of huts" the figures entered as "Amount since recovered" against Briand Colony at Rayapuram and at Jewel Filters stand corrected thus, as a result of further verification of details

(a) Amount since recovered	Briand colony	117--0--0
(c)	Jewel Filters	404--4--0

The arrears under the head "Rents of huts" is Rs 2,555/- to end of 1936-37 as detailed below

Arrears up to 30-6-31	1,778--4--0
From 1-7-31 to 30-6-37	777--0--0
	2,555--4--0

while the amount noted in the enclosed statement of the Municipality is only Rs 1,260-10-0, this difference in the opening balance will be taken up for further investigation

6. It is also a point for consideration of Government whether personal responsibility cannot be fixed in regard to the ineffective supervision

to end of 1941-42, is herewith appended for perusal

2 (i) Basavangudi Market Stalls -

Regarding the demand of Rs 121 The relevant records dealing with the grant of permission for the change from stall rent to ground rent, as also the competent authority that ordered the discontinuance of the demand from 1-8-1938 (Vide para in the extract of Demand Collection Balance) are stated to be not available and audit is therefore not in a position to verify the accuracy of these statements

(ii) No Stall rent was recovered during the years subsequent to 1936-37 Other than the issue of one or two routine reminders to Tax Inspectors of the Divisions concerned, no prompt and effective steps appear to have been taken towards the recovery of the outstanding arrears of Rs 256/-

(iii) The total arrear amount of the belated years in question pending recovery to end of June 1942 work up to Rs 256/- as detailed in the Demand Collection Balance

(iv) No action has been taken for the adjustment of the amounts deposited by the lessees towards the arrears due by them

3 Royapuram huts or Briand Colony

(i) Regarding the arrears of demand of Rs 2,555-4-0 It is seen from the Municipal Commissioner's letter to Government (Vide No A1 476-40 dated 23/24-11-42 enclosed in the file of the Secretariat) that the lease of the land stood in the name of Rev Briand himself in his sole and individual capacity and he and not the inmates of the huts should be therefore held legally responsible for the payment of the rents due While such was the understanding, it has not been explained whether timely action was taken by the Officers

NOTE—Contn Sheet

M File No 33 3236/1 of 194 1 Comptroller's Office

Officers responsible during the time to enforce recovery, whether and if so, how, it was examined and proved to satisfaction that recoveries were not made by subordinates and misappropriated and if no effective steps were taken, as should have been done, why personal responsibility was not or cannot even now be enforced If such large sums of demand are allowed to accumulate without any scrutiny, and then writes off are sanctioned as a matter of course on the plea that the claims are very old and at a distance of time when no action is possible, every claim can be similarly dealt with and audit will be infructuous and even frauds and irregularities can be perpetrated with impunity

Serial No

(iv) The arrears amount to Rs 3,590-4-0 together with the accumulation of further arrears to end of June 1942 and it is for Government to consider whether in such cases, involving large amounts, the provision in the Act regarding surcharge should not be applied

(v) In the opinion of audit, the reasons urged in the Municipal Commissioner's letter for writing off the amounts are not convincing in the present cases and in the interest of purity of financial administration these appear to be fit cases for fixing personal responsibility for the losses

40) From the Commissioner's letter No A1-476-40 dated 24/31-1-44 (copy enclosed in the Secretariat file) it is seen that the reasons advanced for writing off of the two items of Revenue are

(a) Basavangudi Market stall rents Rs 256/-
(b) Royapuram huts or Briand Colony rents Rs 3590-4-0

(1) that the concerned officials including the Revenue Officer are transferred elsewhere and that the whereabouts of the inmates of the Rayapuram huts are not known

(2) that Father Briand who was responsible for the lease amount on Royapuram huts pleaded inability to collect the rents due from the inmates and that as the said Father Briand died recently, nothing could be done at this distance of time

41) As already stated in my reply U O No 314/CLAD dated 16/19-1-43, if such large demands are allowed to accumulate without any scrutiny and then sought to be written off, several other claims will also be sought to be similarly dealt with

42) It seems therefore necessary to ascertain from the Municipal Commissioner as to what precautionary measures are adopted by the Municipal Council to prevent the recurrence of similar losses in future

43) I am still of opinion that the above two are fit cases for fixing personal responsibility of the officers and officials concerned for the loss

With reference to your letter No L 2882 dated 15-10-1940 forwarding for report a copy of an extract of unremedied items in the inspection report of the Assistant Comptroller on the accounts of this Municipality, I have the honour to forward herewith the extract with further remarks

The irregularities pointed out in the inspection report appear to be due to lack of supervision over the work of the clerks in the Revenue Branch and the collection staff Two posts of the Examiners on Rs 40-2-50 each, have since been newly created with a view to see that the Demand, Collection and Balance registers are properly posted in the Revenue Office The scale of pay of the post of the Head Clerk or the Revenue Office has been recently revised from Rs 40-2-50 to Rs 50-2-60 so that experienced and capable officials who can exercise effective scrutiny over the work of the other clerks and guide them may be posted to work there The Revenue Officer also has been directed to exercise better supervision over the work of the staff under his control and see that the irregularities of the kind pointed out in the inspection report are strictly avoided in future

Memo No E2-A1-476-40 dated 12th November 1942 from the Revenue Officer, City Municipality, Bangalore to the Municipal Commissioner, Bangalore City Municipality, Bangalore City

---

Subject -

Unreminded items in the inspection report of the Assistant Comptroller on the accounts of the Bangalore City Municipality held on 10th November 1938

Submitted to the Municipal Commissioner

2 From the Demand, Collection and Balance register it is seen that a sum of Rs 121/- is taken as demand during the year 1936-37 in respect of stalls in Basavangudi Market and that the demand in this behalf has been discontinued from the year 1937-38, a shara being made to the effect that action has been taken to recover ground rent No other references in the matter are traceable As such no action can be taken to recover the outstanding demand of Rs 121/- as stated above This amount has to be written off

3 The details for the arrears of Rs 1,260-10-0 regarding rent of huts and R 2,555-4-0 as now stated in the Comptroller's note are noted hereunder

For the first half of 1931-32	Rs 103- 8-0	Arrears upto 30-6-1931	Rs 1778-4	
From 1-1-1932 to 30-6-1937	Rs 673- 8-0	Ordered to be written off by the Commissioner on 3-10-1934		
for 1937-38	Rs 378- 2-0	Arrears for the first half of 31-32	Rs 103-8-0	
		Arrears from 36-37	Rs 673-8-0	
For 1936-37	Rs 85- 8-0			
Total	Rs 1260-10-0	Total	Rs 2555-4-0	

The above details show that the sum of Rs 1778-4-0 had been ordered to be written off by the Commissioner on 3-10-1934 and it was thus omitted while reporting the arrears as Rs 1260-10-0 But as per Comptroller's observation it has to be continued in the accounts, until it is written off under competent authority So the arrears are being now shown as Rs 2,555-4-0

The sum of Rs 2,555-4-0 is the arrears of ground rent accumulated up to the end of 1937 as detailed above on the huts in the colony named as the father Briand A plot of land known as Royapuram or Briand Colony in the Mysore Road for the location of huts by the Christians had been leased out to Reverend father P O C Briand for a period of 17 years from 1-1-1923 to 30-6-1940, under a lease deed While the lease stood in the name of Reverend Briand, he has not paid a single pie as rent Only the inmates of the huts used to pay the rent In the meanwhile, Father Briand intimated the Municipality in his letter dated 2-1-1932 that he is not responsible for the arrears, and pleaded his inability to collect the rent etc , for some times it was being collected from the inmates of the hut

As the arrears in question is due only from father Briand, it cannot be legally enforced upon the inmates of the huts o lease deed has been taken from the people who have occupied the huts, nor could a deed be taken from the inmates as the entire plot was leased out to one person, Mr Briand Even the persons who had then occupied the huts are not identifiable at this distance of time Father Briand who was responsible for the arrears died recently Hence the amount already ordered to be written off and further accumulations will have to be removed from the accounts, after obtaining the formal sanction of the Council, as observed in audit

The circumstances under which the arrears have accumulated are such, as stated above, that it was not possible to recover the same then and there It is also submitted that it is not possible to fix up any responsibility at this distance of time in as much as the entire original records are not forthcoming and the then officials have retired from service or transferred from the Municipality

One Divisional Accountant by name D Rama Rao having absconded in November 1935, after defalcating a large sum of Municipal money, all the divisional accountants that were working in the Revenue

Revenue Branch ever since they joined service in this Municipality, were then transferred wholesale from this office Besides a large number of records and registers had to be produced both in criminal and civil cases instituted in connection with the amount defalcated by the said Rama Rao Some of the registers have not been received from the Courts It is not therefore possible either to satisfactorily explain now the reasons for the discrepencies in maintaining the accounts or to fix the personal responsibility of the officials concerned, as the connected records are not traceabl Such irregularities are being avoided now

It is submitted that the matter may be kirdly ordered to be dropped

Note

In the matter of fixing personal responsibility of those officers and officials responsible for not taking timely action for the recovery of the arrears of Rs 256/- being the rent of Basavargudi Market Stalls and Rs 3,412-12-0 being the arrears of rent on huts in Briand Colony or Royapuram huts

---

With his letter No L 1736/M1 33-41 dated 8-2-1943, the Law Secretary to Government has forwarded a copy of the Comptroller's observation as to why personal responsibility should not be fixed on those responsible for failing to take timely action to recover the abovementioned items of Municipal dues and called for a report in the matter after taking needful action

1 Arrears of the Basavangudi Market Stall rents The amount outstanding is Rs 256/- as noted hereunder

Year of Demand	Amount of demand	Collection	Balance	Remarks
1936-37	Rs 135/-	Rs 14/-	Rs 121/-	Represents stall rents recoverable from the parties
1937-38	Rs 135/-	--	Rs 135/-	-do-
			Rs 256/-	The aggregate amount to be written off the accounts

In his report dated 12-9-1942, the Revenue Officer has stated that the sum of Rs 121/- has been taken as demand during 1936-37 in this behalf and that the same has been discontinued from the year 1937-38, a shara being made in the Demand, Collection and Balance Register to the effect that action has been taken to recover the ground rent, that no other references in the matter are available, that it is not possible to take any further action in the matter and that this sum of Rs 121/- might be written off the accounts But the Comptroller has observed, that the discontinuance of the demand has to take effect from 1-8-1938, that the usual demand of Rs 135/- has therefore to be continued to be shown as demand for the year

year 1937-38 also, pending the receipt of the competent sanction for its being written off and that the requisite authority for the discontinuance of the usual demand of the Stall rent from 1937-38 itself, was not forthcoming As per Comptroller's observation, the total amount to be written off is Rs 256/- as detailed above Mr Mr M A Basith was the Revenue Officer during the years 1936-37 and 1937-38 & Mr Veerappa and Mr B Ramakrishna Iyengar were the Miscellaneous Examiners and M Narasimhiah was the Accountant dealing with the subject The Revenue Officer and also all the other officials have since been transferred elsewhere

As regards item No 2 - that is - the arrears of rents of Briand Colony huts, it has to be stated that as per Comptroller's observation, the amount to be written off is Rs 3,590-4-0 But as per statement dated 10-6-1942 received from the Revenue Officer, this amount is Rs 3,434-12-0, relating to the years 1922-23 to 1941-42 In his report dated 12-11-1942, the Revenue Officer states that, a sum of Rs 1,778-4-0 being the arrears up to 30-6-1931 had been ordered to be written off by the Commissioner on 3-10-1934, that it had been therefore omitted from the demand and that the same was since included as observed by the Comptroller, for want of competent authority It is reported by the Revenue Officer that the plot of land known as Royapuram or Briand Colony in Mysore Road for the location of huts by the Christians had been leased out to Rev Father F O C Briand for a period of 17 years from 1-1-1923 to 30-6-1940 under a lease deed, that he did not pay even a single pie of rent, that the inmated of the huts used to pay the rents, that Father Briand intimated the Municipality in his letter dated 2-1-1932 that he was not responsible for the arrears and pleaded his inability to collect the rent as it was for some time being collected from the inmates of the huts Father Briand died recently It is reported that the whereabouts of the defaulting inmates of the huts are not traceable and that it is not therefore possible to take any action for the recovery of the outstanding arrears The entire connected records are reported to be not traceable The list received from

from the Revenue Officer showing the details of Demand, Collection and Balance in this behalf in the years 1922-23 to 1941-42 and the names of the officers and officials that were working during the period is herewith submitted for kind perusal Some of these officers and officials are dead, some of them have been retired from service and some have been transferred elsewhere Submitted for orders as to whether the subject may be placed before the Managing Committee

Note on the inspection of the accounts of the Bangalore City Municipality by Mr K Sreenivasamurthy B A , Assistant Comptroller in charge of the Local Audit Department on 3rd -- April 1939

---

7 It was pointed out in audit that as per entries in the Malleswaram Cattle Pound register a white cow was impounded as serial No 135 on 23rd October 1938 as per admission receipt No 78 Book No 830 and released on the same day in release No 63 after recovering a fine of annas eight only But the said release pass No 63 related to a different item and it was seen that in this pass cattle No 133 impounded on 21st October 1938 in admission receipt No 76 (book No 1830) had actually been released after recovering a sum of annas eleven towards fine and feeding charges It was further pointed out that the amount of fine recovered towards the release of cattle No 135 referred to above had been omitted to be remitted to the Municipal Treasury while the reward of annas four alleged to have been paid to the impounder was charged off in the imprest held by the pound-keeper and recouped As per reply received from the Municipal Commissioner with his Memo No A0 66/38-39 dated 4-3-39 the amount was got credited to the Municipal Treasury and the pound mutsaddi who was responsible for this serious -- irregularity was reduced from Rs 15/- to Rs 12/- per mensem

In a similar instance pointed out by the Local Audit in the City Cattle Pound which took place on 1-1-39 the fine of - annas eight recovered and omitted to be remitted was got credited on 2-2-39 and the pound mutsaddi was reduced and reverted to Octroi Office as per Memo No A5 2093/38 dated 9-6-39 of the Municipal Commissioner

These are two fit cases of temporary misappropriation of municipal money to be brought to the notice of the Government and a detailed report may be submitted to Government in each case if not already done so and the fact intimated to this Office at an early date

The Municipal Commissioner has the honour to refer to correspondence ending with your letter No H1-476/40 of 31-1-44 in the matter of fixing the personal responsibility of officers who failed to take timely action to recover certain items of Municipal revenue, and to request that he may be informed whether the extraordinary increases are accepted by the Board in the event recurrence of similar cases in the future.

Thanks etc

for Secretary to Govt
Hills & Ports Dept

I take that the reasons advanced for writing off of the two items of revenue are (1) That the Currency of bonds including the new ones are transferable elsewhere than the Municipalities of the Province and (2) That the Municipalities for the Insurance and Provincial Treasurer's Department to collect the revenue for the months that are the land duties accrued during the distance of time - first observe that if these demands are allowed to accumulate without any steps being taken they might have written off. Several other Claims will also be sought to be similarly dealt with and that these two are for cases for from the personal responsibility of the officers of the Crown. I am accordingly to request you to take necessary further action & furnish a report to this Department as early as will be convenient

In this connection I am also to enquire what precautionary measures are adopted by the Municipal to prevent the recurrence of similar losses in future

Re Recovery of arrears of certain items of revenue due to the Municipality

SIR,

With reference to your D O letter No L 821 dated 16-7-1946 re the above subject, I have the honour to state that the total sum of arrears amounting to Rs 9621-9-0 consists of difference in rates of rent arrears accumulated besides the arrears of rent due from defaulters, some of whom are stated to have either died or gone away long back and whose whereabouts are also not known As such these arrears are stated to have accumulated in the circumstances under which recovery could not be effected

2 I therefore request that sanction of Government may kindly be obtained to accord sanction to the resolution of the Municipal Council dated 18-12-1940 recommending the write off amounting Rs 9621-9-0 as it is not possible to fix the responsibility on any official or Officer as it was beyond their control for recovery at such a distance of time
